AKC NATIONAL OWNER-HANDLED SERIES

Eligible dogs will be identified by an asterisk in the judge's book, steward's book and the catalog. Dogs must be handled throughout the breed level competition for the regular show by an eligible owner. Professional handlers, household members and **Current assistants to professional handlers may not exhibit the dog in any competition during the entire show.

Owner-Handled Best of Breed will be selected from the dogs that are eligible to compete in the Best of Breed competition including Winners Dog, Winners Bitch and winners of the non-regular classes.

- No class dogs other than the Winners Dog and Winners Bitch are eligible to return to the ring.

MASTER

For youth at least 9 and under 18 years of age on the day of the show who have won ten (10) Best Junior Handler awards with competition. The calendar for this class will be consistent with the eligibility dates for the AKC National Championship. All juniors meeting the criteria for this class are required to enter the Master Class and must change their entry the day of the show if entries have already closed. Once the eligibility time frame for that year has passed, all participants return to the Open Class to compete for the following year.

**A first place in Novice without competition leading to a Best Junior Handler award with competition counts as one win toward moving to Open.*

Be sure all information for junior showmanship classes is entered on the front and back of the entry form.

An additional entry in a corresponding specialty class is not required to enter junior showmanship only. Dogs may be substituted for junior showmanship. Such substitution must be accompanied by an official AKC entry form. All such substitutions must be made one-half hour prior to the judging of any junior showmanship classes at the show. Every dog entered for junior showmanship must be eligible to compete in conformation dog shows or in obedience trials.

BITCHES IN SEASON ARE NOT ELIGIBLE. A dog that has been excused or disqualified by a breed judge or by a bench show committee may still be handled in junior showmanship if eligible to compete in obedience trials. A dog that has been rejected, dismissed or excused by a veterinarian for the protection of the other dogs at the show or for the protection of the dog excused may not be handled in junior showmanship. Junior handlers who win a third Novice Class with competition present after the closing of entries for a show may transfer their entry from the Novice Class to the Open Class provided that this transfer is made by the superintendent at least one-half hour prior to the scheduled start of any regular conformation judging or one-half hour prior to the scheduled start of junior showmanship judging at the show, whichever is earlier. Winning first place in an Open Class at this show may qualify or count toward qualification for entry in certain future limited junior showmanship classes.

For information on eligibility requirements for limited junior showmanship classes approved by the AKC, visit akc.org. Junior handlers must include their AKC Junior Handler identification number on the entry form. To obtain a junior identification number, contact juniors@akc.org or call the AKC at 919-233-9767.

PEE WEE HANDLER

The Pee Wee Special Attraction is a pre-Junior Showmanship class for children ages 5-9. Each Pee Wee unit consists of the child, a parent, guardian or responsible adult, and the dog. Only one Pee Wee unit is permitted in the ring at a time. This is not a competitive class but rather a fun, educational experience for the child and the accompanying adult.

Dogs must be at least 4 months old to enter the Pee Wee class. Only bulldogs are eligible for this event. Dogs do not need to be AKC-registered to participate and do not need to be entered in the specialty. Bitches in season will not be permitted to participate. If pre-entered, a dog may be substituted.

All dogs entered must wear an appropriate collar and lead. A responsible adult must be present with the child both inside and outside the ring. Outside the ring, the dog must be controlled by the accompanying adult. An additional lead, provided by the club, will be available at the judge's table. At the judge's discretion, based on the size of the child and the dog, the adult may be asked to attach a second lead so both the child and the adult can walk the dog together.

Entry forms and the Pee Wee Release of Liability will be available at the show. The release must be signed by the child's parent or legal guardian.

CGC & TRICK DOG TESTS

CGC CANINE GOOD CITIZEN

The Canine Good Citizen (CGC) test is the foundation level of the AKC's family dog programs. It evaluates 10 basic manners and obedience skills in a controlled, simulated environment, such as a training ring.

What it tests:

Accepting a friendly stranger, sitting politely for petting, appearance and grooming, walking on a loose leash, walking through a crowd, sitting and lying down on command, staying in place, coming when called, reacting appropriately to another dog and reacting appropriately to distractions.

Dogs must wear a regular collar or harness. Pinch collars are not permitted.

CGCA AKC COMMUNITY CANINE

This is the advanced level. It requires the dog to already have a base-level CGC on record.

What it tests:

The same skills as the foundation CGC, but in real-world settings with heavy distractions (like at a real dog show or a busy park).

Key tasks:

It tests if your dog can walk through a crowd while you are wearing a backpack, wait on a sit/stay while you step away, and walk politely on a leash past other dogs.

CGCU AKC URBAN CGC

This level requires the dog to pass a Public Access Test in a real city environment.

What it tests:

City-specific reliability.

Key tasks:

Walking through a busy city block, navigating stairs or elevators, walking past buildings and open doors, and being well-behaved while you sit at an outdoor restaurant or wait in a store.

TKN NOVICE TRICK DOG

Requires 10 tricks from the AKC Novice Trick Dog checklist. Handlers may use food or toy lures to guide their dog into position. Dogs with an AKC Canine Good Citizen (CGC) title or certificate on record receive credit for five tricks and need to perform only five additional novice tricks.

TKI INTERMEDIATE TRICK DOG

Requires 10 intermediate tricks. At this level, food/toy lures must be faded out, though food rewards are still allowed after the trick is finished.

TKA ADVANCED TRICK DOG

Requires 10 advanced tricks from the AKC Advanced Checklist. Lures are entirely forbidden, the dog must work strictly from verbal or physical cues.

TKP TRICK DOG PERFORMER

Requires a short, 10-trick routine. At least 3 of these tricks must be at the Performer level, and at least 3 must utilize props to assist in telling a short story. No standard obedience or agility equipment may be used. Trick Dog Elite Performer (TKE): The highest tier requires a cohesive 10-trick routine with an explicit story or script. It must utilize at least 5 props, and at least 5 tricks must be from the Performer category.

**TUESDAY, OCTOBER 27, 2026,
30 MIN. AFTER DOGS & BITCHES**

AKC TEMPERAMENT TESTS

TWO TESTS OFFERED, BULLDOGS ONLY, ONE YEAR OF AGE AND UP, LIMITED TO 10 DOGS

The AKC Temperament Test (ATT) is a general temperament test that will assess the dog's reaction to a variety of stimuli. These stimuli will be in the following six categories: Social, Auditory, Visual, Tactile (touch), Proprioceptive (motion) and Unexpected Stimuli.

TEST 1

EVENT NO. 2026066162

EVALUATOR APRIL PAULMAN

Committee: Kelly Rosson,
Amanda Cunningham, Donna Wattenbarger,
Laura Anninos & Audrey Muhlenkamp

TEST 2

EVENT NO. 2026066163

EVALUATOR KELLY ROSSON

Committee: April Paulman,
Amanda Cunningham, Donna Wattenbarger,
Laura Anninos & Audrey Muhlenkamp

This event is a pass/fail test. It is not a competition and there is no pre-qualifying.

ELIGIBILITY TO ENTER

Dogs who are at least 1 year of age are eligible to take the ATT and must either be AKC or FSS registered, listed with Canine Partners or have a Purebred Alternative Listing number. Dogs that are spayed or neutered may participate. Dogs must be able to perform whole categories of the test (such as hearing auditory stimuli and seeing visual stimuli), in order to be eligible to earn an ATT title. Dogs with disabilities such as those that are blind, deaf or have three legs are eligible to enter provided, in the opinion of the evaluator, they display no signs of physical discomfort and can safely complete the test. If a dog has multiple disabilities such that, it is unable to complete whole categories of the test (i.e. - hearing auditory stimuli and seeing visual stimuli), the dog would not earn the ATT title. Bitches in season are eligible to participate but will be placed as the last dog(s) to be tested.

TEST INFO

The ATT is a noncompetitive pass-fail test. In a test, a dog must pass 3 test items in each of the six categories (total of 18 test items). These are selected from a list of 24 possible test items.

COLLARS, LEASHES

Dogs may wear slip collars that are on the dead ring, buckle collars, martingales and body harnesses in the ATT. They may not wear prong collars, head collars, e-collars or harnesses that restrict the movement of the dog. Leashes shall be 4ft. to 6ft. long and made of fabric or leather.

DOGS THAT PASS – CAN APPLY FOR A TITLE

Owners or handlers of dogs that pass both tests may complete the AKC Temperament Test (ATT) Title Application and give to the Event Chair, Amy Cunningham. Titles will be recorded and sent to the owner of record. The AKC Temperament Test (ATT) title processing fee is \$32.00.

BULLDOG *of the* YEAR GALA

The Bulldog Club of America is proud to present the inaugural Bulldog of the Year Competition, an exciting new event debuting at the 2026 National Specialty. This invitation-only competition recognizes bulldogs that have qualified through outstanding achievements during the qualifying year, bringing together many of the nation's finest representatives of the breed.

Qualification for Bulldog of the Year is earned through consistent success in the show ring throughout the qualifying period. Only bulldogs meeting the qualification requirements outlined in the official Bulldog of the Year rules will receive an invitation to compete. Earning that invitation is a remarkable accomplishment and reflects months of dedication, careful breeding, expert conditioning and outstanding presentation by the owners, breeders and handlers behind each dog.

Because only qualified bulldogs are invited, the competition represents an exceptional gathering of the breed's top competitors. While inspired by previous showcase events, the Bulldog of the Year Competition has been reimagined with a new name, a new format and an innovative judging process. By selecting judges from four distinct categories at the event, the competition offers a fresh perspective while maintaining fairness, transparency and excitement for exhibitors and spectators alike.

The Bulldog of the Year Gala is an elegant evening celebrating excellence in our breed. Formal attire is encouraged as guests enjoy a red carpet arrival, professional photographs, hors d'oeuvres, a cash bar and fellowship before taking part in this historic event. Throughout the evening, attendees will witness the unique judge selection process, the inaugural Bulldog of the Year Competition, the presentation of the People's Choice Award and the crowning of the first Bulldog of the Year.

One of the most distinctive features of the Bulldog of the Year Competition is its judging process. Qualified bulldog breeders, breeder-judges, multi-breed judges and professional handlers are invited to submit their names for consideration at the check-in table before the

start of the event. Before judging begins, the Bulldog Club of America president will draw one judge from each category, from a clear ballot box, in full view of the audience creating that evening's judging panel. This transparent selection process ensures a balanced and impartial panel while adding an exciting element of anticipation to the competition.

Bulldog Club of America members are also invited to participate by voting for the People's Choice Award. Ballots will be available at the check-in table before the competition begins, giving members the opportunity to recognize the bulldog they believe best represents the breed. The People's Choice Award will be presented in the ring, during the evening's awards ceremony, alongside the runner-up awards and the crowning of the inaugural Bulldog of the Year.

While the judges' scores are being tabulated, the spotlight will turn to the future of our sport as Bulldog Club of America junior handlers are recognized in a special Parade of Juniors. This showcase celebrates the next generation of bulldog exhibitors and recognizes the dedication, sportsmanship and enthusiasm they bring to our breed before the evening concludes with the presentation of the awards.

Each invited bulldog will be individually evaluated by the judging panel before the finalists and winner are selected. The evening culminates in the crowning of the inaugural Bulldog of the Year, recognizing the bulldog that best exemplifies breed type, quality and overall excellence among this distinguished group of competitors.

A suggested donation of \$30 per person is requested to attend the Bulldog of the Year Gala. Tickets are available for advance purchase through the National Specialty website bulldognationals.org.

Whether you are competing, cheering on fellow exhibitors or experiencing Bulldog of the Year for the first time, we invite you to witness Bulldog Club of America history as we crown the very first Bulldog of the Year.
